TOWN MEETING
MARCH 14, 1961 – WEARE, N.H.

Meeting was called to order by the Moderator, Scott F. Eastman at 1:00 P.M.

It was voted to dispense with reading the articles at this time.

ARTICLE I: To choose all necessary Town Officers for the ensuing year.

Proceeded to ballot for Town Officers.

At 7:30 P.M. on motion by Vernon Wood, voted to close polls at 10:00 P.M.

Total vote cast – 442 Ballots

For Town Clerk:	Burnham A. Davis	404
	Scattering	4
For Town Treasurer:	Henry T. Osborne	394
	Scattering	2

	Scattering	1
For Trustee of the Library:	Eva M. Sawyer	379
	Scattering	1

ARTICLE II: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

The Finance Committee recommendation was \$16,000. Upon a motion by Dorothy Leavitt to raise and appropriate \$16,000. to defray town charges, the vote was unanimous in favor.

ARTICLE III: To make provision for collection of taxes. Upon a motion by Frank Sawyer and seconded by George Gunn, it was voted to leave the collection of taxes up to the selectmen.

ARTICLE IV: To see if the Town will vote to authorize the Selectmen, and Town Treasurer, to borrow money on behalf of the Town in anticipation of taxes: said loans to be payable from taxes for the year 1961, and to issue notes therefor, in the name of the Town, at such rate of interest and payable at such time and place within one year as the Selectmen may decide.

It was voted to accept this article as read.

ARTICLE V: To see if the Town will vote to allow a discount on taxes.

Upon a motion by Albert Farmer and seconded by Frank Sawyer, it was voted to dismiss the article.

ARTICLE VI: To see what sum of money the Town will vote to raise and appropriate for the maintenance of highways and bridges, and take any other vote in relation thereto.

The Finance Committee recommendation was \$14,000.

Upon a motion by Gerald Hight and seconded by Henry Fisher, after some discussion, the vote was in the affirmative to raise and appropriate \$14,000. under this article.

ARTICLE VII: To see if the Town will vote to raise and appropriate the sum of \$1,666.36 to be used along with the sum of \$11,109.04 to be furnished by the State, for Class IV and Class V Construction, Reconstruction, and Betterment Aid.

Upon a motion by George Sawyer to accept this article, the vote was unanimous.

ARTICLE VIII: To see what sum of money the Town will vote to raise and appropriate for the Weare Police Department.

Recommendation of the Finance Committee was \$700. Frank Sawyer moved that \$700 be raised and appropriated for the Weare Police Dept. Vote was in the affirmative.

ARTICLE IX: To see what sum of money the Town will vote to raise and appropriate for the Weare Volunteer Fire Department.

The Finance Committee's recommendation was \$3,000. Walter Turner moved that \$4,000 be raised and appropriated under this article. After some discussion it was voted in the affirmative.

ARTICLE X: To see what sum of money the Town will vote to raise and appropriate for the care of water holes.

The Finance Committee recommendation was \$100.

A motion to raise and appropriate \$100 for the care of water holes was voted in the affirmative.

ARTICLE XI: To see what sum of money the Town will vote to raise and appropriate for the care of neglected cemeteries.

The Finance Committee recommendation was \$300. A motion by Harold LaBier and seconded by Henry Fisher to raise and appropriate \$300 for the care of neglected cemeteries was voted in the affirmative.

ARTICLE XII: To see what sum of money the Town will vote to raise and appropriate for Band Concerts.

After a recommendation of \$200 by the Finance Committee, Alden Colburn moved that \$200 be raised and appropriated for band concerts. Discussion followed and the motion was voted down. Frank Sawyer then moved \$300 be raised and appropriated for band concerts and the motion prevailed.

ARTICLE XIII: To see what sum of money the Town will vote to raise and appropriate for the Weare Public Library.

Upon a motion by Lillian Faustini to raise and appropriate \$300 for the Weare Public Library, the vote was in the affirmative.

ARTICLE XIV: To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

Gordon A. Russell moved that \$200 be raised and appropriated for the observance of Memorial Day and the vote was in the affirmative.

ARTICLE XV: To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

The Finance Committee's recommendation was \$200. Raymond Rogers, Jr., moved \$200 be raised and appropriated for Civil Defense. The vote was in the affirmative.

ARTICLE XVI: To see if the Town will vote to raise and appropriate the sum of \$192 for the support of the Concord Hospital.

The Finance Committee recommendation was for adoption of this article. Florence Flanders moved that \$192 be raised and appropriated for the support of the Concord Hospital. Discussion followed and it was stated about \$700 free service had been given by the Hospital to Weare patients during the past year, while asking for only \$192 from the Town. Vote was in the affirmative.

ARTICLE XVII: To see if the Town will vote to raise and appropriate the sum of \$200 for the Water Safety Program.

Everett Chase moved \$200 be raised and appropriated for the Water Safety Program. Discussion followed and Dorothy Leavitt offered an amendment whereby any unused balance should be carried over for the 1962 program. Motion and amendment carried favorably.

ARTICLE XVIII: To see if the Town will vote to raise and appropriate a sum of money for the parking lot, and take any other vote in relation thereto.

The Finance Committee recommendation was \$500. A motion to raise and appropriate \$500 for the parking lot brought on discussion and the Selectmen explained the rails around the lawns were to be stained, do some gravelling in front of the Legion Hall and black top in front of the Legion Hall and the drive to the parking lot in the rear of the Legion Hall. Vote was in the affirmative.

ARTICLE XIX: To see if the Town will vote to accept the Zoning Ordinance recommended by the Planning Board.

Gordon A. Russell moved that this article be postponed for

for one year. He explained that two public meetings should be held during the year and work out a few changes if necessary. Vote was in favor of postponement.

ARTICLE XX: To see if the Town will vote to raise and appropriate the sum of \$100 to purchase advertising space in the Merrimack Valley Region 1962 Guide, or take any other vote in relation thereto.

The Finance Committee recommendation was \$100. George C. Sawyer moved that this article be dismissed and the vote was in the affirmative.

ARTICLE XXI: To see what sum of money the Town will vote to raise and appropriate for installing a heating plant in the Town Hall, or take any other vote in relation thereto.

A motion by Starvro Chagrasulis to postpone action for one year brought on some discussion and the vote was for postponing for one year.

ARTICLE XXII: To see what sum of money the Town will vote to raise and appropriate for renewing the drainage system at the Town library.

The Finance Committee recommendation was \$600. It was brought out that incomplete figures were given at the meeting of the Finance Committee and that the estimate was \$1200 after complete study of the work necessary. A motion to dismiss the article, after discussion, was voted down. Several other motions were offered and then withdrawn after discussion. Wilfred Lahey moved, and George Sawyer seconded, that \$1200 be raised and appropriated to correct the drainage problem at the Weare Town Library and a committee of four be appointed to work with the Selectmen to acquire a satisfactory solution to the problem. Committee appointed: George C. Sawyer, Gordon A. Russell, Guy E. Eaton and Harold V. Flanders. Vote was in the affirmative.

ARTICLE XXIII: To see if the Town will vote to continue Route 109 to Route 77. Route 109 is in the T.R.A. 15 year plan.

Harold Hall moved that Route 109 be continued to Route 77. Vote was in the affirmative.

ARTICLE XXIV: To see what sum of money the Town will vote to raise and appropriate to finish the East Weare Fire

House, or take any vote in relation thereto.

The Finance Committee recommendation was \$1300.

Frank Sawyer moved that \$1300 be raised and appropriated to finish the East Weare Fire House. Explanation brought out that a chimney had to be built, insulation to cover the inside of the building and paint for the exterior walls. Vote was affirmative.

ARTICLE XXV: To see if the Town will vote to raise and appropriate a sum of money to purchase a new fire truck, and take any other vote in relation thereto.

A motion by Albert Farmer and seconded by Walter Turner to raise and appropriate the sum of \$8600.00 to purchase a new fire truck, was amended by Frank Sawyer that the issuance of notes be left up to the Selectmen. Discussion followed. It was stated one truck was 28 years old and repair parts were almost unavailable. Vote was in the affirmative.

ARTICLE XXVI: To see what sum of money the Town will vote to raise and appropriate to be expended in cooperation with the New Hampshire Forestry and Recreation Commission, for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching fund not in excess of \$25 for this purpose.

Upon motion of George C. Sawyer it was voted to dismiss the article.

ARTICLE XXVII: To see if the Town will vote to resume work on the road from Slab City, so-called, to Reservoir Drive, 5/10 of a mile, using T.R.A. funds.

Upon a motion by Wilfred Lahey and seconded by Albert Farmer, it was voted that this would be the next road to be started after the Gould Road work was completed.

ARTICLE XXVIII: To see if the Town will vote to raise and appropriate a sum of money to lay out and build a new road from the bottom of Walker Hill to the new Route 77.

The Finance Committee recommendation was \$500. A motion to raise and appropriate \$500 to lay out and build a new road from the bottom of Walker Hill to new Route 77 brought some

discussion and a statement from the Selectmen that when Watkins Construction Co. had finished Rt. 77 there would be a good foundation nearby all the way over which gravel had been trucked out. It would only need a topping and some culverts and a little grading. Vote was in the affirmative.

ARTICLE XXIX: To see if the Town will vote to raise and appropriate a sum of money, to purchase snow removal equipment owned by Bernard Phelps, Jr., or take any other vote in relation thereto.

Voted to dismiss the article.

ARTICLE XXX: To see if the Town will vote to abandon Barnard Hill Road from the Jennie Boynton Farm to the road running from the relocated Barnard Hill Road to East Weare.

Howard Ineson moved this article be accepted as read. Vote in the affirmative.

ARTICLE XXXI: To see if the Town will vote to abandon the so-called Lydia Barnard Road, from Barnard Hill to Chuck Street.

Howard Ineson moved this article be accepted as read. Vote in the affirmative.

ARTICLE XXXII: To see if the Town will vote to discontinue as a highway, and make subject to gates and bars, the Peaslee Hill Road from Route 77 to Brown's Corner.

It was moved that this article be accepted as read. Vote was in the affirmative.

ARTICLE XXXIII: To see if the Town will vote to raise and appropriate the sum of \$2500 to pay off the note on the Town Histories, held by the Fiduciary Trust Co. Of New Hampshire, or take any other vote in relation thereto.

The Finance Committee recommended adoption of this article.

Wendell Colburn moved that \$2521.48 be raised and appropriated under this article to cover the note and interest to date. The vote was in the affirmative.

Wendell Colburn then moved that the Town Histories be sold

for \$5.00 for one year and that everyone make a special effort to see that most of them be sold. Vote was in the affirmative.

ARTICLE XXXIV: To transact any other business that may legally come before this meeting.

Upon a motion by Wilfred Lahey it was voted to change the name of Slab Street to Thorndike Street.

Upon a motion by Gordon A. Russell it was voted to change the speed limit to 25 miles per hour from the entrance to Chase Park to the foot of Paige Hill, and amended to cover the entire road from Crosby's Store to Chase Park entrance.

A motion to reconsider Article II was voted down.

As there was no more business to come before the meeting at this time, the officers proceeded to count the ballots cast under Article I. The newly elected officers were sworn into office and the meeting adjourned at 1:00 A.M. on March 15, 1961.

BURNHAM A. DAVIS, Town Clerk

TOWN WARRANT

To the inhabitants of the Town of Weare in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall, Weare Center in said Town on Tuesday, the thirteenth day of March, next at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

- A - Town Officer's Salaries
- B - Town Officer's Expenses
- C - Election and Registration expenses
- D - Expenses Town Hall and other buildings
- E - Insurance
- F - Interest
- G - Forest fires
- H - Health Department
- I - Vital Statistics
- J - Town Dumps
- K - Street Lighting
- L - Town Poor
- M - Old Age Assistance
- N - Town Well and Pump
- O - Damages and Legal Expenses
- P - Social Security

3. To make provisions for the collection of taxes.

4. To see if the Town will vote to authorize the Selectmen, and Town Treasurer, to borrow on behalf of the Town in anticipation of taxes; said loans to be payable from taxes for the year 1962, and to issue notes therefore, in the name of the Town, at such rate of interest and payable at such time and place within one year as the Selectmen may decide.

5. To see if the Town will vote to allow a discount on taxes.

6. To see what sum of money the Town will vote to raise and appropriate for the maintenance of highways and bridges, and take any other vote in relation thereto .

7. To see what sum of money the Town will vote to raise and appropriate for the Weare Police Department.

8. To see what sum of money the Town will vote to raise and appropriate for the Weare Fire Department .

9. To see what sum of money the Town will vote to raise and appropriate for the care of cemeteries.

10. To see what sum of money the Town will vote to raise and appropriate for band concerts.

11. To see what sum of money the Town will vote to raise and appropriate for the Weare Public Library.

12. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

13. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the Water Safety Program.

14. To see if the Town will vote to accept the zoning ordinances recommended by the Planning Board.

15. To see if the Town will vote to raise and appropriate the sum of \$23.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Merrimack Valley Region.

16. To see what sum of money the Town will vote to raise and appropriate for installing a heating plant in the Town Hall, or take any other vote in relation thereto.

17. To see if the Town will vote to raise and appropriate the sum of \$1,657.50 to be used with the sum of \$11,049.97 to be furnished by the State, for Class IV and Class V Construction, Reconstruction, and Betterment Aid.

18. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the support of the Concord Hospital.

19. To see if the Town will vote to accept the road on the East side of the Reservoir as a Class VI highway or take any vote in relation thereto.

20. To see if the Town will vote to authorize the Selectmen to sell the old fire truck, or take any other vote in relation thereto.

21. To see if the Town will vote to authorize the Selectmen to sell any lots on Route 77 of the Town Forest, or take any vote in relation thereto.

22. To see if the Town will vote to close, subject to gates and bars, the Cutting Road from the Sugar Hill Cemetery to the intersection of the Cross Road.

23. To see if the Town will vote to close, subject to gates and bars, the Melvin Valley Road from the old Clough place to place of Charles Brown Jr.

24. To see if the Town will vote to close, subject to gates and bars, the so-called New Road from Clinton Grove to the Tiffany Hill Road.

25. To see if the Town will vote to close, subject to gates and bars, the old road beginning at the foot of Barnard Hill by Otter Brook, which follows the valley about one and half miles thence by right angle about one mile to the intersection of the Barnard Hill Road, about a quarter of a mile below the O'Connor place.

26. To see if the Town will vote to close, subject to gates and bars, part of the Sugar Hill Road from the new road over Burnt Hill to Route 77.

27. To see if the Town will vote to authorize the Road Agent to treat as such, the driveways which are claimed to be Town roads, meaning, widening, ditching so that they may be plowed without risking damage to the equipment.

28. To transact any other business, that may legally come before this meeting.

Given under our hands and seal, this 26th day of February, in
the year of our Lord nineteen hundred and sixty-two.

ANNUAL REPORT OF THE WEARE POLICE DEPARTMENT

There was an increase in serious motor vehicle accidents this year. On February 19, 1961 there were two fatalities in an accident on Route 114, South Weare. The rescue squad proved very valuable at this time with its knowledge of first aid and of handling accident cases.

This group of men has received high praise not only for its ability in taking care of the highway accidents but also for the way it has handled sickness and accidents in the home.

The Red Net Work phone operators have an increase of emergency call each year. Through their very efficient work, valuable time has been saved in answering many serious accident and illness cases. When an emergency call is received for the resuscitator minutes count.

This department received numerous complaints which were settled without police action.

The new New Hampshire Department of Safety which goes into effect January 1, 1962 will bring closer cooperation with all police departments throughout the state by having headquarters in each county.

Classifications of offenses are:

| | |
|--|----|
| Fatalities Route 114 February 19,1961 | 2 |
| Breaking, entering and larceny | 6 |
| Drunk and disturbance in public | 4 |
| Bad check passing | 1 |
| D.W.I.—second offense | 2 |
| Juvenile delinquency | 6 |
| Speeding — second convictions | 4 |
| Motor vehicle accidents—property damage, no personal injury | 12 |
| Leaving scene of accident—convicted | 1 |
| Allowing improper person to operate motor vehicle | 1 |
| Driving after drinking | 5 |
| Licenses suspended | 7 |
| Arrest D.W.I., convicted of driving while intoxicated | 1 |
| Failure to appear for examination as requested | 1 |
| Improper operation of motor vehicle | 1 |
| Insurance cancellations | 6 |
| Licenses expired | 2 |
| Driving when physical condition did not warrant safe operation | 1 |
| Transporting alcoholic beverage in motor vehicle by a minor | 5 |

| | |
|--|---|
| Grossly careless operation | 1 |
| Three convictions in one calendar year | 2 |
| Second convictions of operating without a license | 2 |
| Operating to endanger | 1 |
| Subversive records sent to U.S.Army, Navy, F.B.I. and
Security Division | 8 |
| Grand Jury and Superior Court appearances | 3 |
| Subjects taken to Moore General Hospital | 6 |
| Subjects taken to Concord Hospital | 3 |
| Family trouble complaints answered | 9 |
| Summons served for other departments | 4 |
| Record of sale of pistols and revolvers by citizens of Weare | 7 |
| Lost persons and recovery of same | 4 |
| Investigations conducted | 9 |
| Committed to Industrial School, Manchester | 3 |
| Committed to State Hospital | 3 |
| False pretenses | 2 |
| Petty larceny | 5 |
| Larceny of chain saws | 2 |
| Obscene writing on highway | 1 |
| Contributing to delinquency of female minor | 2 |
| Escapee returned to State Hospital | 1 |
| Tractor accident—personal injury | 1 |
| Operating motor vehicle after revocation | 3 |
| Using tractor plates for purposes other than intended by law | 1 |
| Apprehending hit and run | 1 |

We wish to extend our appreciation to the New Hampshire State Police and to the Police Departments in surrounding towns for their valuable cooperation, and also to the citizens of Weare who have assisted us in many ways.

Respectfully submitted,
CHESTER LOWE, Chief
Weare Police Department

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocket-book - yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we - you - and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations - hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you -

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires—4

Number of acres burned—1

Number of permits issued—272

WINTHROP H. HANNAFORD
District Fire Chief

MALCOLM DEARBORN
Forest Fire Warden

ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

The department answered 38 calls during 1961. Types of fires were: six building fires, 13 chimney fires, 6 brush or grass fires, 1 oil burner fire, seven motor vehicle fires, 2 rubbish fires, 2 trees burning, and one arcing electric wire. A barn was burned and 2 serious house fires held to very small losses. One abandoned set of buildings in the flood area was mostly burned up when discovered.

The probable cause of two of these fires was faulty electrical equipment. Others were caused by an improperly adjusted range oil burner and careless smoking. Several power oil burning furnaces were installed in Weare this past year which eliminated many pot burners and other dangerous types of heating equipment.

Several of the brush fires resulted from the dumps burning out into the grass and weeds. Chimney fires are as usual, lead in numbers and can be serious if defective flues and funnels are involved. Defective stoves and heaters are responsible for most of the deaths from fire which have occurred in this part of the state within the past few months. Don't gamble lives on a defective, dangerous heater or chimney. Have your heater properly serviced and chimney repaired or rebuilt if not safe.

While loss from fire was kept low for the year most of the fires could have been prevented. Practice fire prevention, it pays big dividends.

About 150 calls were answered by the Red Net Work operators. Thirty-eight fires, 23 police calls, 4 for the rescue squad, 13 power failures, 3 civil defense, 11 forest fire investigations of smokes, 13 persons to be contacted and the remainder wrong numbers. Our Red Net Work is one of the most efficient thanks to the interest and ability of the operators. When calling the Net Work stay on the line. The operators will answer as soon as they can get to the phones. They are not always near the phone but may have to come from the other end of the house or at night from upstairs. If you are connected the phones will be answered.

The rescue squad answered 11 calls including highway accidents, calls for the inhalator, lost children and hunters. The squad has been highly complimented on their handling of frac-

tures, severe bleeding, and other cases of severe injury by the doctors and staff of the hospitals where the injured were taken.

The Ladies Auxiliary served several lunches at fires, put on our annual dinner, a Christmas Party and Strawberry Festival for themselves and the firemen. Their services are much appreciated.

The East Weare equipment was moved into our new station on Sugar Hill. The firemen moved the alarm system, the furnace, compressor and other contents of the building. Switches to control the air-horns were placed in two houses near the station. Wiring and installation of the equipment was done by members. We have a very fine building and welcome its inspection by all. The concrete for the floor was donated by the Redimix Company of Manchester and the men of the department helped to pour it as well as to grade up around the building.

Attendance at meetings was good. Several attended the fire training schools. Training sessions were held by all the companies. Training is very important to keep the men familiar with the use of the equipment.

A new fire truck was purchased to replace truck #1 which was 28 years old. This new truck carries all the equipment of the old truck as well as having a 500 G.P.M. Underwriters tested pump, a 500 gallon water tank and 800 ft. of 2½ inch hose, air masks etc. It is a very valuable addition and is much appreciated.

Four hundred ft. of 2½ inch hose, nozzles, fittings, lights, and other small tools and equipment was purchased.

The value of our portable pump and tank trucks and the general set up of our equipment and organization was demonstrated at the fires of the past year.

The department appreciates the assistance and cooperation of the people of Weare during the past year.

Respectfully submitted,
GERALD H. HIGHT, Chief
Weare Volunteer Fire Dept.

This report is approved by the Board of Fire Wards of Weare.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in Said district on the 3rd day of March 1961, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose 3 Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrent.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum of money the District will raise and appropriate for improvement of the elementary school grounds and to keep the same in proper maintenance.
10. To see what sum of money the District will raise and appropriate for the purpose of painting the exterior of the elementary school.

11. To see what sum of money the District will raise and appropriate for completion of an adequate fire alarm system for both schools.

12. To see if the District will appoint a study committee to work in conjunction with the school board to look into the possibilities of building an addition to the elementary school to be used as a classroom and auditorium.

13. If the above motion is adopted to see what sum of money the District will raise and appropriate for the same.

14. To see if the District will vote to appropriate any funds received from tuition for so-called state wards toward payment of general expenses of the school year 1960-1961.

15. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the state of New Hampshire and/or United States.

16. To transact any other business that may legally come before said meeting.

Given under our hands.

RECORD OF SCHOOL MEETING MARCH 3rd, 1961.

The meeting was called to order by the moderator Scott F. Eastman at 7:55 P.M.

Article 1. Scott F. Eastman was nominated for moderator. There being no further nominations, it was moved and seconded that the nominations cease and the clerk cast one ballot for Scott F. Eastman which was done and the said Scott F. Eastman was declared elected and in open meeting took the oath of office prescribed by law.

Article 2. Marjorie L. Eaton was nominated for clerk for the ensuing year. There being no further nominations, it was moved and seconded that the moderator cast one ballot for Marjorie L. Eaton. It was done and the said Marjorie L. Eaton was declared elected and in open meeting took the oath of office prescribed by law.

Article 3. Lyhl Perrigo was nominated by Leslie Knox for member of the school board for (3) three years. This was duly seconded, there being no further nominations it was moved and seconded that the clerk cast one ballot for Lyhl Perrigo for member of the school board for three years. Lyhl Perrigo was declared elected. Barbara Knox was nominated by Gordon Traver for member of the school board for three years. This was duly seconded and there being no further nominations, it was moved and seconded that the clerk cast one ballot for Barbara Knox for member of the school board for three years. It was done and Barbara Knox was declared elected. Robert Clement was nominated by Frank Sawyer for member of the school board for three years. This was duly seconded, there being no further nominations it was moved and seconded that the clerk cast one ballot for Robert Clement for member of the school board for three years. This was done and the said Robert Clement was declared elected. The said Lyhl Perrigo, Barbara Knox, and Robert Clement, in open meeting, took the oath of office prescribed by law.

Article 4. Elsie Purington was nominated for Treasurer for the ensuing year there being no further nominations it was moved and supported that the clerk cast one ballot for Elsie Purington which was done and the said Elsie Purington was declared elected.

Article 5. It was moved by Elsie Purington and duly seconded that the salary of the School Clerk be raised from the present

Five (5) dollars per year to Ten (10) dollars per meeting for all meetings held. Motion carried. It was moved by William Bushby and duly seconded that the School Board continue to serve without salary and that the other officers with the exception of the clerk to remain the same as last year. Motion carried.

Article 6. No action taken on this article.

Article 7. It was moved by Frank Sawyer and duly seconded that the town Auditors be authorized to audit the school district books. Motion carried.

Article 8. Gordon Traver gave the recommendation from the finance committee to accept the school budget as presented, \$131,706.33. Lyhl Perrigo, Chairman of the school board, gave an explanation of the school budget. Discussion followed. It was moved by Gordon Traver and duly seconded that the district raise and appropriate the sum of \$131,706.33 for the salaries of school district officials and agents; for the payment of statutory obligations of the district; and to authorize the application of such sums as are estimated to be received from the state foundation aid fund together with other income. The school board is to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town. Motion carried .

Article 9. It was moved by Dorothy Leavitt and duly seconded to raise and appropriate the sum of \$500.00 for improvement of elementary school grounds and to keep the same in proper maintenance. Motion carried.

Article 10. It was moved by Leslie Knox and duly seconded to raise and appropriate the sum of \$500.00 for the purpose of painting the exterior of the elementary school. Much discussion followed. Motion carried.

Article 11. It was moved by Norman Wood and duly seconded to raise and appropriate the sum of \$300.00 for completion of an adequate fire alarm system for both schools. Gerald Hight, Fire Chief, gave an explanation of the fire alarm system planned. Motion carried.

Article 12. It was moved by Frank Sawyer and duly seconded that a study committee of five be appointed by the moderator to work in conjunction with the school board to look into the possibilities of building an addition to the elementary school to

be used as a classroom and auditorium, this report to be made to the district within sixty (60) days. Motion carried.

Article 13. There being no objection, no action was taken on this article.

Article 14. It was moved by George Sawyer and duly seconded to adopt this article as read. Motion carried.

Article 15. It was moved by Gerald Hight and duly seconded to adopt this article as read. Motion passed unanimously.

Article 16. Lyhl Perrigo, Chairman of the school board, reported to the meeting that the school board had been contacted by a group of interested citizens from New Boston and they would like to have the concensus of opinion of the Weare district as to whether Weare would be willing to discuss high school problems with New Boston. The concert of the meeting was unanimously in favor of this discussion.

Mr. Minnich was granted permission from the meeting to present the problems that face our high school at the present time. It was moved by William Bushby and duly seconded that if there was no further business to come before this meeting we shall recess until Tuesday, April twenty fifth (25th) at 7:30 o'clock in the evening. Motion carried.

WALTER HODGMAN

RECESSED SCHOOL MEETING APRIL 25, 1961

The School District meeting recessed from March 3, 1961 was called to order by the moderator Scott Eastman at 8:00 P.M.

The clerk read from the records of the meeting of March 3, 1961 the action taken on article 12, also the names of the study committee appointed by the moderator to look into the possibilities of building an addition to the elementary school to be used as a classroom and auditorium.

The moderator then proceeded to ask the study committee to present their findings to the meeting.

Lyhl Perrigo chairman of the school board reported to the meeting that the plans on one of the two buildings had only been in the hands of the committee for one week and the plans for the other building had just been received the day of the meeting, therefore they had not had ample time for complete study. Joseph Brennan, school board member, gave an explanation of the Butler Steel building plan stating that the cost would be roughly \$45,000. This figure did not include plumbing or electricity. Much discussion followed. Lyhl Perrigo gave a detailed report of the Strand Steel building plan stating that the cost of this building would be \$43,538. This figure also did not include plumbing or electricity. Mr. Perrigo said these figures are somewhat near but there may be variations. A discussion was held at this time and many questions were answered by the committee.

Lillian Faustini brought up the question that with the uncertainty of the required standard of our high school in the near future and the possibility that we may have to give up our high school would we need this proposed building plan. Siarvro Chagrasulis stated that after hearing the study committee reports and the problems that may face our high school in the near future we should continue further study and hear all reports before concluding which would be our best decision.

Milton Elliot, School Board member from New Boston, was granted permission from the meeting to present the findings of the study committee on the Co-op school plan. He requested that Weare give serious thought to form a study committee to investigate this plan thoroughly. Discussion followed.

It was moved by Raymond Rogers and duly seconded that the present study committee that has been appointed continue study

on the building addition to the elementary school and also to study Co-op with other towns. Discussion followed. Motion carried.

It was moved by Howard Ineson and duly seconded to recess this meeting until Tuesday, June twenty seventh (27th) at eight o'clock in the evening. Motion carried.

A true record

MARJORIE L. EATON
Clerk of the district

RECESSED SCHOOL MEETING JUNE 27, 1961

The school district meeting recessed from April 25, 1961 was called to order by the moderator Scott F. Eastman at 8:15 P.M.

Lyhl Perrigo, chairman of the school board, proceeded to give the report of the study committee. Mr. Perrigo reported that various committees had studied all possibilities of the Co-op school plan. After extensive study the State Board discouraged the plan and New Boston voted to petition the Superior Court to close their high school in favor of tuition. As a result of this action the committee continued study on our own building program. Several surrounding high schools were contacted as to accepting Weare students on a tuition basis. Memorial High School in Manchester was the only possibility of the high schools contacted thus far. Study on tuition is not complete and will continue, the committee reported. Estimated uncompleted costs for our building program were given as twelve (12) dollars per square foot for a block or brick building and ten (10) dollars per square foot for a wooden building. There being no objection from the meeting, Mr. Simms, representative for Butler Steel, gave an explanation of the steel Building plan, showed a film and displayed sample materials. He stated that the cost would be approximately five (5) dollars to five dollars and fifty cents (5.50) per square foot up to eight thousand (8,000) square feet for an uncompleted steel building. Much discussion followed.

Robert Munro asked for a consensus of the meeting as to whether they would want the committee to continue further study or not. This was unanimously in favor of continued study. The committee presented figures for the proposed steel building plan figuring the cost at \$5.50 per square foot. This total was \$44,000. George Nichols had given an estimate of \$10,500 for plumbing and heating and electrical work bringing the total to \$54,500. If this building was approved we would be reimbursed \$16,350 from the State. Thus leaving a balance of \$38,200 to be raised by the town. Mr. Joseph Brennan stated that this figure would affect the tax rate roughly \$1.20 on a thousand dollars. It was moved by Clayton Gunn and duly seconded that the study committee present complete figures for the necessary proposed Butler Steel building plan including floors, heating system, electrical work and anything else necessary and to recess this meeting until Wednesday, September 25th (twenty-seventh) at 8:00 o'clock in the evening. Motion carried.

It was moved by Murray Wood and duly seconded that a detailed report including figures be sent as boxholders September 15th,

ten days before the recessed school meeting. Motion carried.

A true record.

MARJORIE L. EATON
Clerk of the District.

RECESSED SCHOOL MEETING SEPTEMBER 27, 1961

The School District Meeting recessed from June 27, 1961 was called to order by the moderator Scott F. Eastman at 8:15 P.M. Lyhl Perrigo, chairman of the school board, reported that the study committee had not received the estimated building figures until 12:30 this date. Mr. Perrigo suggested that the meeting be adjourned at this time and that a date be set for a meeting in in the near future when a detained report could be given allowing the committee enough time to send the written report as boxholders ten (10) days before said meeting.

It was moved by William Adams and duly seconded to adjourn this meeting until Wednesday, October 25, 1961 at 8:00 o'clock in the evening. Motion carried.

A true record.

MARJORIE L. EATON
Clerk of the District

RECESSED SCHOOL MEETING OCTOBER 25, 1961

The School District Meeting recessed from September 27, 1961 was called to order by the moderator Scott F. Eastman at 8:15 P.M. Lyhl Perrigo, chairman of the school board, proceeded with an explanation of the detailed proposed building report which everyone had received as boxholders ten (10) days prior to this meeting. The estimated total was \$94,710. There would be necessary additional equipment, bonds, ground breaking and leveling estimates to be added to this figure as itemized in the report. There was no discussion.

Mr. Perrigo presented a proposed plan for building an addition to our present high school. This plan had been brought to the attention of the building committee by the high school principal, Mr. Hall. This plan would include adding 6000 square feet of room space onto the high school, inside alterations for more classroom space, a separate boiler room and an auditorium. This proposed building could accomodate two hundred and fifty students. The seventh and eighth grade would be transferred to the high school thus eliminating the space problem at the elementary school. This would also make it possible to accept tuition students. Much discussion followed regarding tuition. Mr. Perrigo read a letter from the principal of the high school in Hillsboro stating that with their present high enrollment it would not be possible for them to accept Weare students on a tuition basis. The School Board reported that Concord high school had been contacted and at the present time they could accept only a very small number of students. It was moved by Esther Hight and duly seconded that the school board and building committee study the proposed building plan relative to our high school and to present this report at the next annual meeting. Motion carried.

Mr. Minnich was granted permission from the meeting to clarify the present standing of our high school and his suggestions for possible alternatives. Starvro Chagrasulis requested that the building committee meet with the Henniker School Board to discuss any feasible way to develop our school system. Mr. Chagrasulis also recommended that all possibilities be explored before we adopt our own building plan. Kathryn Traver requested a concensus of the meeting. Should the school board continue to make every possible effort to keep our high school? It was the concensus of the meeting that we should maintain our high school if at all feasible. Mr. Perrigo reported that the school board were in the process of getting additional information from the local Civil Defence Director for precautions that should be taken in our school system. Parents will be contacted in the

near future. June Eaton requested that the committee studying the proposed addition to the high school present two (2) figures, one figure including auditorium and one without auditorium.

It was moved by Raymond Rogers, Jr. and duly seconded to adjourn this meeting. The motion carried and the meeting adjourned at 9:25 P.M.

A true record

MARJORIE L. EATON
Clerk of the District.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March 1962, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose Three Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum of money the district will raise and appropriate for making certain alterations to the high school building to accommodate anticipated future enrollments and any tuitional students from New Boston.

10. To see if the School district will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) to be used for the purchase of library and reference books.

11. To see if the School district will vote to raise and appropriate the sum of six hundred and fifty dollars (\$650.00) to renovate the downstairs supply room in the high school for the establishment of a separate library.

12. To see what sum of money the district will raise and appropriate for the construction of an all purpose building.

13. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the state of New Hampshire and/or United States.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Weare this 21st day of February, 1962.

~~~~~

In the event that some New Boston High School pupils attend Weare High School during the school year of 1962-63, the following provisions have been made for them and are included in our budget. The extra expenses are as follows:

One additional teacher	4,200.00
Shop materials	150.00
Graduation expense	4.50
Sewing machine	150.00
Oxyactylene welding tank	100.00
	<hr/>
	4,604.50

In the event that we receive fewer pupils than are expected, then the above amount of \$4,604.50 will be returned to the General Fund at the end of next year to be used to reduce the taxes for the year 1963-1964.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD AND CITIZENS OF WEARE

Many of the achievements listed in last year's report have been continued and expanded during this past year. For brevity's sake they will not be repeated here. I should like to devote the major portion of this report to the consideration of the enrollment and potential building plans which face the district.

### PROJECTED ENROLLMENTS

From the Engelhardt Report

Grades	58-59	59-60	60-61	61-62	62-63	63-64	64-65	65-66
1-6	179	170	173	172	171	174	180	196
7-8	75	69	63	60	59	58	57	52
9-12	79	87	95	96	90	82	79	75
Total	333	326	331	328	320	314	316	323

### PROJECTED IN-LINE ENROLLMENTS

Based Upon the Children Now in the Local School

Figures as of September 1961

Grades	60-61	61-62	62-63	63-64	64-65	65-66
1-6	164	164	These first graders are not in school.			
7-8	65	54	54	56	50	51
9-12	90	99	114	114	117	110
Total	319	317				

Normally, the Engelhardt figures would be more reliable and scientific as they reflect the number of pupils moving in and out of the local schools, plus the number of births, etc. The projected In-Line Enrollment Chart simply starts with pupil enrollment in one year and then assumes that the same number of children will progress through the various grades.

However, the Engelhardt Report was written in the early part of 1959 and, as such, does not reflect the population changes created by the construction of the flood control dam.

From a study of both charts and the census returns, these facts become evident.

- 
1. The average size of the first grade class for the next four years will tend to remain somewhat constant, between twenty-three to thirty-six pupils, except for 1963 when we might expect thirty-nine pupils.
  2. The total census figures show a slight decrease of thirty children between the ages of six to eighteen from 1960 to 1966.
  3. Both projections are closer in agreement for grades seven and eight than for any other group.
  4. It seems reasonable to estimate that during the next four years the elementary school (grades one through six) will experience a very slight increase of pupils over the present enrollment; the seventh and eighth grades will decrease in number and that the high school population will increase slightly.

Based upon this inconclusive evidence and tentative conclusions, this brief analysis cannot be considered as final.

### POTENTIAL BUILDING PLANS

Before any definite building plan can be formulated, there should be a clear-cut definition of the problem; a full accounting and analysis of all facts and a thorough knowledge of the financial situation, including the district's borrowing capacity.

From the elementary school enrollments on another page of this report, we are faced with the knowledge that the enrollment in this school is and has been extremely variable. It has been mentioned previously in this report that we might expect a very slight total increase in enrollment in grades one through six during the next four years.

Does that fact warrant an elementary building program? Considered by itself, the answer must be no, but there are other circumstances which may indicate that a building possibly should be seriously considered. Total enrollment by itself in any given school building is almost valueless. It is the number of pupils in their respective grades that is important. The optimum class size is about twenty-five children per class. Last fall we had five classes out of eight at that size.

Some of the shortcomings of the elementary school are; the

---

the present fifth grade room is very small for classroom use, the remedial reading class meets in a hallway, the children have to eat their lunch in their rooms, the only assembly place is the town hall and there are no library or sick room facilities.

It is, therefore, suggested that serious consideration be given to the previously considered addition to this school to consist of two classrooms, one for the present fifth grade and the other to be used for the remedial reading class and as a temporary library room. If the present fifth grade room is not to be used to enlarge the kitchen facilities, then this room might be used as a permanent library and the two new rooms would be used as classrooms.

In addition to the two classrooms in this new addition, serious consideration should be given to the inclusion of an all-purpose room to be used as a cafeteria and activity room.

If this all-purpose room were to be enlarged to also serve as a gymnasium for the high school, then this plan should receive the most serious study with regard to use and need of this facility by both schools, district finances, and the future of the high school.

Weare, as well as other New Hampshire towns which support small high schools, has a number of important decisions to make, probably within the next three to five years in connection with the future of its high school.

For brevity's sake, this report will not discuss the reasons responsible for this condition, but rather the three choices, concerning the future of the high school, which are available to the District.

The first choice perhaps of many residents would be to maintain the present high school and attempt to make it as good a school as possible.

The second choice might be to close the school and send grades nine through twelve to another town upon a tuition basis.

The third, and at this time, perhaps the most unlikely, would be the formation of a cooperative school.

Each plan has some strength and weaknesses, both educationally and financially. The decisions of the neighboring towns at

---

their annual school district meetings, in an attempt to solve their own high school problem may have far reaching effects upon your own problem.

From an educational point of view, the least desirable plan would be to maintain the present high school. This opinion may be supported by the conclusions of educational experts, the present trends in the development of education at the secondary level toward consolidation of small high schools and the effect of the proposed new minimum standard law upon existing small high schools.

Not one of the above reasons are aimed to intimidate a single Weare taxpayer, but rather it is an earnest endeavor to have the citizens make an honest and unbiased examination and evaluation of their high school.

Perhaps the best and simplest way in which this might be accomplished is to pose a question.

If the local high school was improved and made to fulfill all the requirements of the new minimum standards and the undesirable features which the Engelhardt Report mentions also were improved, how would Weare High School then compare with a larger high school? Your reply must consider the type of education the larger high school is able to offer in terms of a larger student body, faculty and budget, which makes possible a larger and more varied curriculum, more advantageous pupil grouping, more educational tools and supplies, a better trained and more experienced faculty, etc.

The time is rapidly approaching for the district to finalize its thinking and to decide the future of the high school. This decision will not be easy, but it should be made in light of what is best for the students - both educationally and financially - and for the greatest good of the community.

I wish to express my sincere appreciation to those teachers, other school personnel, friends, and those thoughtful and cooperative citizens who have given us aid and encouragement.

Their understanding is deeply appreciated.

Respectfully submitted,  
CHARLES H. MINNICH  
Superintendent of Schools

---

WEARE ANNUAL SCHOOL HEALTH REPORT  
September 1960 - June 1961

Vision Tests -	305	Patch Tests -	108
Hearing Tests -	305	Salk Vaccine -	45
Inspections -	305	Triple Toxoid -	11
Heights -	305	Weights	305
Children Examined by Dr. Albert Snay, M. D.			159
Home Visits	60	First Aids	40

Reported Communicable Diseases

Chicken Pox	4	German Measles	28
Impetigo	2	Scarlet Fever	2
Ringworm	2		

Notices Sent:

Vision	17
Hearing	3
Tonsils	8
Teeth	49
Wax in Ears	8
Varicocele	4

Received Care:

Vision	30
Hearing	3
Tonsils	5
Teeth	102
Wax in Ears	4
Varicocele	3

Eight children received complete dental care at the dental clinic, sponsored by the P.T.A.

Pre-school registration was held in May with 18 children being registered.

Two children received eye examinations through Sight Conservation, and one child received glasses.

We wish to express our thanks to the Superintendent, Parents, Teachers, and School Board for their cooperation.

Respectfully Submitted,  
Beatrice Bockus, R.N.  
Edith Elliott, R.N.

## WEARE SALARY SCHEDULE ADOPTED February 6, 1962

### Recommendations

1. Those above schedule will be granted  $1/2$  increment annually until they are on step.
2. Those below schedule to be increased to schedule in three years with no less than  $1/3$  of base differential each year unless the increase would be more than \$500. In that event, placement on schedule would come in 4 years.
3. Increments are not automatic; that is, the School Board reserves the right to hold at a step for just cause upon recommendation of the Superintendent, Teacher Consultant and the Principal. A statement of just cause will be forwarded to the teacher no later than February 15.
4. A teacher must acquire 6 credits every five years to remain on schedule. These credits shall be from an accredited institution of learning and program of individual teacher shall be previously approved by the Superintendent providing he or she is not working for a degree.
5. The schedule will be reviewed annually by a Committee consisting of a minimum of three teachers, the Superintendent, and School Board Members.
6. It is the recommendation of this committee that a continuing study be made of a Merit Rating Plan.
7. Teacher carrying full load of 5 preparations or more will receive the following: \$250 - (\$150.00 for basketball and \$100.00 for baseball) \$150.00 for girls' basketball and \$50.00 for girls' softball. If the teacher has two sports, such as baseball and basketball, \$250.00 would be paid that teacher.
8. A teacher entering the system will be given credit for previous experience at the discretion of the board with recommendation by the Superintendent.
9. Those teachers asking for an adjustment in their salary will have to submit full proof of advancement on or before September 1st to the Superintendent.

---

## SICK LEAVE

1. Each teacher will be granted 10 school days sick leave per school year.

2. Sick leave shall be cumulative to 45 school days.

3. A teacher ill for a period greater than total accumulated days to be paid the difference between the pay for the regular and the pay of the substitute for a period of 20 school days beyond total accumulated days. No pay to be granted a teacher for a period in excess of 20 school days beyond accumulated total. If no substitute is obtained for absence after the total accumulated days, deductions at the regular rate will be made just as though a substitute had been secured. Above does not prevent School Board from modifying loss of pay for extended periods if in opinion of Board, past service to the district warrants such consideration.

4. That substitutes be paid a minimum of \$15.00 per day.

5. Each teacher will be granted 1 day emergency leave per school year, subject to approval of Superintendent. This day shall not be cumulative. This day shall not be deducted from sick leave.

6. Each teacher will be granted 3 days leave for a death in the immediate family (mother, father, son, daughter, husband, wife, sister, brother, grandparents). These 3 days shall not be cumulative.

7. School administrators to be included in minimum sick leave and leave of absence benefits.

Experience	Prepara- tion 2 Years	Prepara- tion 3 Years	Prepara- tion 4 Years	15 Credits plus BE Degree	Masters Degree
Beginning	3500	3700	4000	4150	4300
1 Year	3700	3900	4200	4350	4500
2 Years	3900	4100	4400	4550	4700
3 Years	4100	4300	4600	4750	4900
4 Years	4300	4500	4800	4950	5100
5 Years	4400	4700	4900	5050	5200
6 Years	4500	4800	5000	5150	5300
7 Years	4600	4900	5100	5250	5400

---

This schedule shall apply to all full-time teachers engaged in daily instruction on the regular school program. The Vocational Agriculture Instructor will be paid base pay plus 15%. Salaries for other school personnel such as, principals, nurses, reading specialists, speech instructors, etc., shall be determined by the School Board. Any other specialized or emergency positions created by the District will be determined by the School Board.
